Thursday, October 8, 2009

Parents present:

President – Ketra Stewart

Secretary – Becca Knaack

Parent – Sara Brock

Lombard Teachers & Staff present:

The meeting was called to order by Ketra.

Ketra said she was going to ask Mr. Thompson about having the sidewalk to the football field sweep and then having some grass seed planted to take care of the mud problem in that area.

Ketra had the sample shirts with the new logos and is going to have them put up on display in the cafeteria.

Ketra also had some sample jackets made that the teachers could order.

Ketra had a letter that is to go home with students for their parents about the Gold Cards.

Becca said she would create a spread sheet to keep track of Gold Cards. This will be done once she is emailed the necessary information.

Ketra said there would be a 2 week turn around on the Gold Cards.

Ketra is going to see if we can have “Gold Cards” on sale put on the website and on the sign out front.

The next Booster Club meeting will be Tuesday, November 10, 2009 at 5:30 p.m. in the library.

Respectfully submitted,

Becca Knaack
